Christmas Switch-On Ceremony

(Narrative Report)

Date and Place: December 14, 2024, LGU Tigaon Compound

Description of Activity: The Christmas Switch-On Ceremony was a meaningful event organized by the Local Government Unit (LGU) of Tigaon to celebrate and bring to life the spirit of Christmas. It served as a way to unite the community through shared stories, lights, and joy, as reflected in the Christmas ID theme "Tayo ang Pasko." The event emphasized unity, cooperation, and hope, especially through the efforts and participation of every Tigaoeño, including the numerous sectors that took part in the efficient governance of the year. In addition, before the lighting of the giant Christmas tree and the fireworks display, there were various performances delivered by talented individuals, as well as a raffle to bring even more joy to the audience who took part in the activity.

Task: Our assigned task during the event was to assist with the registration of participants coming from different barangays. We were grouped in pairs and stationed to welcome and facilitate individuals from each barangay, ensuring that everyone was properly listed. As people registered, we asked them to pick numbers from a box, which served as their official entry for the raffle draw. We also helped prepare and organize the numbers drawn during the raffle, making sure the process went smoothly and fairly.
